A vibrant, cartoon-style illustration of a group of children in a field. In the center, a large, light-colored sign with a wooden frame displays the word "at" in a bold, black, lowercase font. The children are dressed in outdoor gear like hats, vests, and boots. One girl on the left is sitting on a log, another is holding a camera, and a girl on the right is sitting on a log reading a book. The background features a bright blue sky with white clouds, green trees, and a field of green grass with yellow and purple flowers.
